

POOL OF STUDENT EXPERTS' IN QUALITY ASSURANCE

The Pool of Student Experts in Quality Assurance is a group of well prepared and experienced student-experts who take part in quality assurance processes in Higher Education Institutions all over Europe.

The European Students' Union (ESU) leads this pool since 2009 and currently, there are 90 students part of the pool.

ESU'S QUALITY ASSURANCE
STUDENT EXPERTS POOL

OUR EXPERTS

We offer QA agencies a diverse range of student experts who have international experience in Quality Assurance procedures and are updated with the trends on the European Level.

The pool has a Steering Committee which maintains communication with partner agencies and selects student-experts based on the needs.

ADVANTAGES

- ✓ LANGUAGE
- ✓ EXPERIENCE
- ✓ STUDIES
- ✓ TRAINING

To enhance student experts' competencies, the pool regularly provides its members with different training and conference opportunities around Europe.

Through its activities, the Pool develops and promotes student participation in quality assurance across Europe!

ORGANISATION

The pool is renewed **once a year** and has an independent **Steering Committee**, which launches the calls and selects the applicants based on their qualities and experiences in quality assurance.

ESU'S QUALITY ASSURANCE
STUDENT EXPERTS POOL
